

Three Bales of Cotton Sold On Square; Weather Thins Crowd

By G. W. BOLGER

Three bales of cotton showed up on the square Tuesday and 25 to 26c is the price for which they changed hands. Market closed 35 to 40 points down.

Owing in part to weather conditions the gathering on the square Tuesday was not large. Visitors who were met expressed themselves as being grateful for the rain, saying it will prove beneficial to the oats which have recently come up and also help soften land which is now being broken for another crop, but much more is needed for stock water, and many continue to haul for that purpose in some sections.

Jack Dack, whose home is near Spring Valley when met, reported that a car occupied by a son, M. S. Dack and wife, Mr. and Mrs. George Holloway, struck a bridge and was turned over, throwing the occupants to the ground, but no one was seriously injured. The car was demolished.

S. P. Beall of Bald Prairie, reported that he was just from a local sanitarium where Mrs. Beall underwent a difficult operation for appendicitis a few days ago. Her condition was reported as being satisfactory.

George Bailey of Birome, gave the information that a son, Jeff Bailey, who recently underwent an operation for appendicitis at a local sanitarium, had so far recovered as to be able to return home Wednesday.
