The Washingtons: A Family History, Volume 1

Seven Generations of the Presidential Branch

Justin Glenn

This ground-breaking series is a comprehensive history that traces the “Presidential line” of the Washingtons. Volume one begins with the immigrant John Washington who settled in Westmoreland Co., Va., in 1657, married Anne Pope, and was the great-grandfather of President George Washington. It continues the record of their descendants for a total of seven generations. Volume two is a collection of notable descendants of the next eight generations of John and Anne Washington’s descendants, including Gen. George S. Patton, author Shelby Foote, and actor Lee Marvin. Future volumes trace generations eight through fifteen, making a total of more than 63,000 descendants.

Although structured in a genealogical format for the sake of clarity, this is no barebones genealogy but a true family history with more than 1,200 detailed biographical narratives. These, in turn, strive to convey the greatness of the family that produced not only The Father of His Country but many others, great and humble, who struggled to build that country. A cumulative index completes the series.

About the Author: Justin Matthews Glenn was born in Little Rock, Arkansas, and raised in Glendale and Phoenix, Arizona. He graduated from Stanford University (B.A., Classics, 1967: magna cum laude, Phi Beta Kappa) and was a Woodrow Wilson Fellow at Princeton University (M.A., Classics, 1969; Ph.D., classics, 1970. He was professor of Classics at the University of Georgia and Florida State University for 35 years, and he has served as Registrar General of The National Society of the Washington Family Descendants since 2002.

“At long last the Washingtons have a published history worthy of their place in history.

Author Justin M. Glenn has done a masterful job. I am convinced that his work will be of wide interest to historians and academics as well as members of the Washington family itself. Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century, it is surprising that no comprehensive family history has been published. Glenn’s *The Washingtons: A Family History* finally fills this void for the branch to which General and President George Washington belonged, identifying some 63,000 descendants. This is truly a family history, not a mere tabulation of names and dates, providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County, Virginia, in 1657.”

— **John Frederick Dorman**, editor of *The Virginia Genealogist* (1957-2006) and author of *Adventurers of Purse and Person*
